## COVID-19 and the Winter League 2020/21

### To Club Representatives

Thank you for entering your teams for the Winter League starting next month. We would ask you to note that the LTA issued updated guidance for tennis venues on September 24, in response to the UK Governments revised COVID-19 requirements. (see [www.lta.org.uk/coronavirus](http://www.lta.org.uk/coronavirus)) for more details.

We would like to remind you that in entering the IDLTL Winter Series it is the Leagues expectation and requirement that Clubs will;

- Be conversant with and are following the latest LTA “Guidance for Tennis Venues in England” and” COVID-19 Play Safe”
- That if special circumstances and actions are necessary for visiting teams, inform visitors in good time before a fixture takes place.
- Understand that it may be necessary, in what is an exceptional season, for IDLTL to suspend or alter the format of the Winter League, if local or National circumstances require such action.

Thank you for noting this reminder and we hope that the matches go well and we all will be able to enjoy tennis throughout the winter.

Stay safe, stay well and stay fit.

Peter Richards  
League President

Lisa Jacobs  
League Administrator
