COVID-19 Christmas Government rules and the Winter League 2020/21

To Club Representatives

As Lockdown 2 is lifted on 2nd Dec, with us now being in Tier 2 and based on LTA guidance we are pleased to say that Winter League can now recommence.

The IDLTL now advises the following;

1. Matches should resume with those scheduled for 6 Dec 2020. Clubs should plan for this resumption of play.
2. Missed matches scheduled for 15th Nov, now to take place on 28th February 2021 & 22nd Nov, now to take place on 7th March 2021.
3. Due to the Government Christmas Covid rules relaxation and understanding that families may want to benefit from this opportunity to meet, we have decided that the matches scheduled for weekend of 27th December can be re arranged by mutual agreement, the new date should be agreed between both pairs at the time. It is hoped that players will be accommodating in these unusual times.
4. The Winter League will be extended to finish on 18 April 2021, to allow any weather affected matches, missed lockdown matches and 27th Dec rearrangements to be played. Free weeks prior to the end of the scheduled matches can also be used to play any outstanding matches.
5. Results and any claims to be with the League Administrator by 18th April 2021, 6pm.

This information will be communicated directly to named team contacts. In the meantime, if you have any questions please refer them by email to the League Administrator at ldltennisresults@yahoo.co.uk

Stay safe, stay well and stay fit.
