

WINTER LEAGUE 2023-24

Last date for results 6pm Sun 24th March 2024

APPLICABLE TO BOTH MEN & LADIES LEAGUES

Players may now play up twice in a higher team without becoming committed to the higher team. We hope this will help to get matches played.

Rule 10. A player may not play in a lower nominated team after having played ~~twice~~ **3 times** in higher teams.

Reminder of Rule 12

a player may not take part in two matches originally scheduled for the same date.

This applies to matches that are not played on the scheduled date and care should be taken when players are substituting/helping out. Team contacts should check with any substitutes if they have already played in a same original date match for another team. This becomes more important with the above change as a player may play up twice now. Reminder, can only play for 1 club in a season.

rule 4 **ALL** matches are 3 TIE BREAK SETS (at 6 all)

Please send a photo (or scan) of the signed result card to:

PLEASE SEND IN ALL RESULTS ASAP, YOU ARE REMINDED OF THIS PART OF RULE 7.

Failure to do so (send in result) within 7 days of match being played will result in away team being awarded all 3 points.

Best option is to do this whilst still at match if possible, to save forgetting. Any player can send it the result, as long as it does get sent in promptly, also advise if a match is not played and reason why. Thanks!

Rules, playing schedule and score sheets are emailed out, which players will need to print for their use.

any problems, please email me on above address or for more urgent enquiries that requires a speedy response, please call/text 07941-196142 as the IDL email is not checked daily, and does not feed into my personal email inbox.

Clarification of Rule 15. Any team conceding 3 or more matches shall be withdrawn from the League.

This means that if the withdrawn team wishes to play next season, the Club must re enter that team and they will start in the bottom division. All league positions belong to the named *Club* and therefore it is advisable that any withdrawals or possible withdrawals by default should be referred as soon as a problem arises, by current players to their Club for consideration in order to prevent unwanted loss of Club league positions. This is to try to prevent unwanted changes/non commitment affecting divisions and reducing expected tennis to others.
